Workshop Presenter:

Alice Kleinig

*Special Education Teacher,
Consultant and Tutor*

Alice Kleinig is a Special Education Teacher, Consultant and Tutor with over 10 years experience.

She is passionate about helping all students develop the skills and strategies necessary to reach their full potential. Alice has been a Special Education teacher and coordinator in a number of Middle and Secondary schools in South Australia since 2009.

She has completed a Masters of Special Education at Flinders University and is currently completing a Graduate Certificate in Career Development, to help young people with learning needs as they transition out of school.

A parent of three young children herself, Alice has also worked as an independent Special Education consultant as well as a SPELD tutor.
